

Welcome to Berachah at Buck Creek! A wilderness camp nestled in the beautiful Cascade Mountains, Buck Creek is a short distance from majestic Mt Rainier and a quick drive from most of Puget Sound. Buck Creek offers the perfect camp or retreat experience for year-around events.

Buck Creek has had a rich history of ministry through Christian camps and retreats for over sixty years. Recently, Camp Berachah Ministries became the owners, and will begin a new chapter of Christian camping at Buck Creek. Improvements in facilities and programs, based on 35 years of camp and conference experience, will be available to organizations and individuals to enjoy. We invite you to plan your next winter or summer camp or retreat at the new Buck Creek. Call us for your reservation.

You can visit us online, or call our guest hosts to reserve your date.

Facilities

Buck Creek Lodge— This picturesque facility includes 24 rooms that sleep up to five people; restrooms on each floor, and meeting and dining rooms in the building. Several upgraded rooms are available for speakers or leaders.

Retreat House— A chalet-style facility that is ideal for adult retreats; accommodates up to thirty people in eight rooms, and includes a cozy meeting area, small recreation room and linen service.

Creek Side House (Lodge Annex)— Another chalet-style facility located near the main lodge, ideal for smaller retreats, accommodates up to sixteen people in seven rooms. Creek Side also has a warm, comfortable living room for meeting and has linen service available.

Cascade Village— Rustic A-Frame cabins clustered around a central meeting and restroom facility, ideal for groups of up to sixty-four. The Village has its own fire pit and recreation space, making it self-contained for a private retreat or camp.

Recreation

Buck Creek offers year-around recreational fun for all ages. During the winter, experience the awesome sledding hill, snow shoeing, skiing at nearby Crystal Mountain, or test your skills on the indoor climbing wall. In the spring through fall months, enjoy the zip line, challenge course, mountain bikes, swimming, hiking, volleyball, horseshoes and fire pit.

Food Service

Buck Creek features home cooked meals with plentiful portions, served in a central dining room. Guests can also be served at the Retreat Houses or at the Village with advance arrangements. Free coffee service is available in all facilities.
