# CHA SEASONAL STAFF CERTIFICATION CLINIC

## PURPOSE

The Seasonal Equestrian Staff Certification (SESC) program was developed to meet the needs of seasonal riding programs. The purpose of the SESC program is to provide training and certification for entry level riding staff that work under the supervision of a certified instructor or riding director. The clinic is conducted in 3 days and is staffed by CHA Clinician, and assisted by an assistant clinic instructor on staff at Camp Berachah.

## CERTIFICATION

Level 1 Instructor or Assistant Instructor certification is offered. Participants must be at least 16 years old to qualify for Assistant Instructor and 18 years old for Level 1 Instructor.

**SESC is only valid at a CHA Program Member's facility, when working under supervision of a level 2 or above instructor. SESC is a non-renewable certification**

## CLINIC PROVISIONS

Camp Berachah will provide housing and meals during the clinic (Sat/Sun—B/L/D, Mon—B/L). Helmets are provided, or you can use your own if it is ASTM/SEI certified. Hours of instruction will include lectures in the evening; commuters need to plan accordingly.
